

Teleport Magic-User 5	Range: self Duration: instantaneous
--------------------------	--

This spell instantly transports the caster to a designated destination, which may be as distant as 100 miles per caster level. Interplanar travel is not possible. The caster can bring along objects or creatures, not to exceed 300 pounds plus 100 pounds per level above 10th. The caster must be in contact with all objects and/or creatures to be transported (although creatures to be transported may be in contact with one another, with at least one of those creatures in contact with the caster). Unwilling creatures are allowed a saving throw vs. Spells to resist the spell, and the caster may need to make an attack roll to make contact with such a creature. Likewise, a creature's save vs. Spells prevents items in its possession from being teleported.
